2 Mumbai Selfie! Rachel and her father Danny Smith with our friend and partner Reverend Devaraj, the Founder and Executive Director of Bombay Teen Challenge.

3 Danny and Rachel with Ann Buwalda and Joan Smith. Great meeting with Ann Buwalda to discuss future plans. Ann set up Jubilee Campaign USA in the nineties to focus on religious liberty issues. She regularly lobbies at the UN and the International Criminal Court in The Hague. She also runs her own law firm in Washington DC, Just Law International.
